# Bringing technology closer to people and businesses

## His Highness Shaikh Abdulla bin Hamad Al Khalifa

**Personal Representative of His Majesty the King  
Chairman of Bahrain International Airshow Supreme Organising Committee**

**I**t is my profound pleasure to welcome you to Sakhir Airbase for the Bahrain International Airshow 2024 (BIAS) as we celebrate 75 years of aviation in the Kingdom of Bahrain.

Now in its seventh edition, the Bahrain International Airshow has been designed to reflect the needs of the aerospace, defence and space communities by working directly with the industry to harness global expertise, showcase innovation and provide crucial thought leadership where it matters most.

Since we last met in Bahrain, following our decade of distinction celebration, we have revealed a new identity for to illustrate the clear progress of both the event itself and the wider Bahrain region in the aerospace industry – a declaration of our unrelenting commitment to excellence.

Our vision is and has always been to be the world's leading boutique airshow, offering an unrivalled platform for developing allyship, driving innovation and facilitating international trade creating enduring prosperity for Bahrain and its partners who attend the show. We are committed to supporting the regional aerospace, aviation and defence businesses of all sizes in connecting with and doing business with the rest of the world. With the continued support of our exhibitors, partners, sponsors and attendees, we have been able to make this a reality, so on behalf of the BIAS Supreme Organising Committee, thank you.

I hope that the show will serve you in developing new relationships, exploring opportunities within the region and in engaging with the world's aerospace community.

I wish you every success and look forward to seeing the impact made at the show.

Bahrain International Airshow – Conference Programme

Bahrain International Airshow – 2024 Aircraft Highlights

# Global Thought Leaders Take To The Stage

# Ready For Take-Off: BIAS 2024 Flying & Static Display

**F**ollowing the success of the conference programme at the 2022 instalment, this year's Bahrain International Airshow will yet again bring a plethora of international thought leaders, industry experts and specialists onto two stages to discuss four key themes across two days:

- 1) **AIRLINES & AIRPORTS**
- 2) **SPACE**
- 3) **DEFENCE**
- 4) **DIVERSITY & INCLUSION AND STEM WORKSHOPS**

Topics will include sustainability and technological innovation, advancements around SAF emerging in the EMEA region, demand for investment in infrastructure, international collaboration for sustainable space operations such as active debris removal, commercial space launches in the Middle East, accelerating gender equality in the sector and the contribution to future workforce challenges.

## SPEAKERS INCLUDE:

# Why Bahrain?

## ABOUT

The Bahrain International Airshow (BIAS) was established in 2010 to create a truly distinctive event. BIAS offers the industry a platform for high-level corporate hospitality, unique access to military and civil delegations, and showcasing technological innovations to potential buyers around the world.

The success of the inaugural edition, which took place 21-23 January 2010, established BIAS as one of the most influential and prestigious hospitality events in the region, with the show returning every two years to provide a world-class networking and business opportunity.

Celebrating a decade of distinction, BIAS returned in 2022 offering an exciting programme of new features, industry-leading content, and a first-class networking experience with key regional decision-makers. The show welcomed more than 46,000 visitors, 186 participating companies and 222 delegations, representing 59 countries and marked \$1.85bn deals agreed.

The show will return in 2024 to continue its journey, providing an unrivalled platform for innovative and personalised commercial networking in an environment driven by a commitment to achieving excellence in everything we do.

## WHY VISIT US?

The Bahrain International Airshow has a diverse and extensive offering to airshow visitors with over 150 companies exhibiting and leaders from the industry in attendance. BIAS creates opportunities to build connections and develop business collaboration between leading players from across the global aerospace industry in the thriving Gulf region.

## WHAT TO EXPECT IN 2024

The 2024 Airshow will offer a unique and unmissable event, with a new look and feel for BIAS after undertaking a program of significant investment, enhanced show features and more opportunities to meet and connect with delegations, experts, and leaders in the industry.

## WHY VISIT BAHRAIN

With a long and rich history Bahrain's remarkable archaeological sites and cultural legacy are one of the many reasons to visit. Discover all what The Kingdom of Bahrain has to offer from delicious traditional foods, markets, private beaches, wonderful sceneries, thrilling shopping experiences and rich history as the centre of pearling industry.

The world is your oyster. Let Bahrain be its pearl. More about Bahrain's events and tourism can be found at: [limitless.bahrain.com](https://limitless.bahrain.com)

LEAP

LEAP turns heads in the boardroom.

LEAP-powered aircraft are achieving the highest days flown ratio\* for their thrust class. That means fewer spare aircraft and more flights, which helps profitability climb. Another reason to say LEAP. By example. \*Compared to 83% for competition, per third-party data.
